

Sprint 2 User Stories and SSDs

Team 64 – 2/26/2023

User Stories:

Josh

As a player, I want to move in a direction based on input so that I can move throughout a level in the game.

Rushabh

As a player, I want to jump on the moving logs so that I can pass the river safely.

Garrett

As a player, I want to be able to land on each of the five end tiles so that I can win the game.

Yingqi Chen

As a player, I want to start on the start tile so that I can be safe at the start of the game.

As a player, I want to rest at the safe tile so that I can be safe and ready for the logs.

Yulun Hsiao

As a player, I want to jump on the road tile and not get hit by the cars so I can pass the road safely.

SSDs:
